CNC Machinist

Who we are:

M&S Machining is an advanced manufacturing company with over 25 years of experience serving defense and aerospace industry leaders such as Northrop Grumman, General Dynamics, and Space X. We operate in a clean, climate-controlled, modern facility filled with state-of-the-art equipment and provide our team with all the latest tools necessary for success. We believe strongly in the growth and development of our employees by offering an environment with exceptional opportunities that can unlock your highest potential. We welcome candidates of all levels of experience and are excited to work with those individuals who strive to be the best.

Who were looking for:

M&S Machining is seeking candidates who have experience setting up and operating CNC machining centers. M&S Machining is interested in candidates of all experience levels and offers on-the-job training as well as other opportunities to develop one's machining knowledge and further their career!

What we bring:

- Area leading pay!
- Career advancement.
- Opportunity for growth
- Weekly pay
- IRA with 3% match
- Health, Dental and Vision insurance
- Paid Holidays
- Paid Time Off
- Relocation assistance and Travel reimbursement
- Direct Hire position
- Full Time, Day Shift, Monday through Friday, Overtime

What you'll bring:

- Drive to continuously learn.
- Interest in math and science.
- Dedication to career growth.
- Strong communication skills with the ability to overcome challenges.
- Innovative and creative thinking.

What you'll be doing:

- Setting up and running multiple different parts at various machining centers.
- Inspecting setups and parts during manufacturing to ensure quality and production needs are met.
- Debur and polish parts as they come off the machine.
- Reading and interpreting engineering blueprints.
- Manually measuring parts on and off of machining centers.

Favorable if you have:

- Experience using CAD or CAM software.
- Experience with CMM inspection and in-depth knowledge of metrology.
- Familiar with working in a low volume, high mix manufacturing facility.

Not From the Area?

M&S Machining offers relocation assistance for qualified individuals! We are surrounded by rolling hills and beautiful farmland while also offering all the amenities of a large metropolitan area. We are located only 15 minutes from Lexington and 1.5hrs from Cincinnati and Louisville. The local economy is thriving with an excellent job market and a multitude of opportunities for your family. All of this combined with a local housing market that is significantly cheaper than the national average, makes central Kentucky a great place to call home!

Location: On Site: 100 Hud Rd. Winchester, KY 40391

Work Remotely: No

Job Type: Full-time
