

*****This position is located in WINCHESTER, KENTUCKY *****

Maintenance Technician

Who we are:

M&S Machining is an advanced manufacturing company with over 25 years of experience serving defense and aerospace industry leaders such as Northrop Grumman, General Dynamics, and Space X. We operate in a clean, climate-controlled, modern facility filled with state-of-the-art equipment and provide our team with all the latest tools necessary for success. We believe strongly in the growth and development of our employees by offering an environment with exceptional opportunities that can unlock your highest potential. We welcome candidates of all levels of experience and are excited to work with those individuals who strive to be the best.

Who were looking for:

M&S Machining is seeking maintenance technicians who have experience performing mechanical, electrical, hydraulic, and pneumatic troubleshooting and repairs on machinery and auxiliary equipment. A candidate should operate within established safety guidelines to ensure the safety of all employees.

What we bring:

- Area leading pay!
- Career advancement.
- Opportunity for growth
- Weekly pay
- IRA with 3% match
- Health, Dental and Vision insurance
- Paid Holidays
- Paid Time Off
- Relocation assistance and Travel reimbursement
- Direct Hire position
- Full Time, Day Shift, Monday through Friday, Overtime

What you'll bring:

- Drive to continuously learn.
- Dedication to career growth.
- Strong communication skills with the ability to overcome challenges.
- Innovative and creative thinking.
- Ability to work independently and assist other team members.

What you'll be doing:

- Perform preventive maintenance on machinery and auxiliary equipment to enhance reliability.
- Troubleshoot and repair mechanical, electrical, hydraulic, and pneumatic issues with machinery and auxiliary equipment.
- Conduct routine inspections and repairs needed throughout the facility to include electrical systems, plumbing and HVAC.
- Assist and/ or lead projects and new machine installations as needed.
- Work with production team to minimize downtime.
- Work with machine OEMs for advanced troubleshooting and repairs.

Favorable if you have:

- 5 years' experience in a manufacturing environment.
- A minimum of 3 years industrial maintenance experience preferred.

Not From the Area?

M&S Machining offers relocation assistance for qualified individuals! We are surrounded by rolling hills and beautiful farmland while also offering all the amenities of a large metropolitan area. We are located only 15 minutes from Lexington and 1.5hrs from Cincinnati and Louisville. The local economy is thriving with an excellent job market and a multitude of opportunities for your family. All of this combined with a local housing market that is significantly cheaper than the national average, makes central Kentucky a great place to call home!

Location: On Site: 100 Hud Rd. Winchester, KY 40391
