Deburr Technician

Who we are:

M&S Machining is an advanced manufacturing company with over 25 years of experience serving defense and aerospace industry leaders such as Northrop Grumman, General Dynamics, and Space X. We operate in a clean, climate-controlled, modern facility filled with state-of-the-art equipment and provide our team with all the latest tools necessary for success. We believe strongly in the growth and development of our employees by offering an environment with exceptional opportunities that can unlock your highest potential. We welcome candidates of all levels of experience and are excited to work with those individuals who strive to be the best.

Who were looking for:

M&S Machining is seeking candidates who have experience deburring and polishing machined and sheet metal components. Individuals applying for this position must have a strong interest in manufacturing along with a strong desire to further develop their skills. M&S offers on-the-job training and welcomes candidates with all levels of experience.

What we bring:

- Area leading pay!
- Career advancement.
- Opportunity for growth
- Weekly pay
- IRA with 3% match
- Health, Dental and Vision insurance
- Paid Holidays
- Paid Time Off
- Direct Hire position
- Full Time, Day Shift, Monday through Friday, Overtime

What you'll bring:

- Drive to continuously learn.

- Interest in math and science.
- Dedication to career growth.
- Strong communication skills with the ability to overcome challenges.
- Innovative and creative thinking.

What you'll be doing:

- Use and select required hand tools, machinery, measuring instruments, and abrasives.
- Work from drawings, sketches, or routers to determine processes/procedures to be used.
- Deburring and polishing parts in an efficient, high-quality manner.
- Preparing parts for inspection.
- Working with a large variety of hand tools.

Favorable if you have:

- Experience deburring very tight tolerance aluminum parts.
- Experience working in a low volume, high mix manufacturing facility.
- Experience operating various machining equipment.

Not From the Area?

M&S Machining offers relocation assistance for qualified individuals! We are surrounded by rolling hills and beautiful farmland while also offering all the amenities of a large metropolitan area. We are located only 15 minutes from Lexington and 1.5hrs from Cincinnati and Louisville. The local economy is thriving with an excellent job market and a multitude of opportunities for your family. All of this combined with a local housing market that is significantly cheaper than the national average, makes central Kentucky a great place to call home!
